SUBJECT: **CHILDHOOD LEAD POISONING PREVENTION PROGRAM – CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC) GRANT – FY 2009-10**

This is to notify you that the Department of Public Health (DPH) is exercising the delegated authority approved by the Board on May 30, 2006, to accept the Notice of Cooperative Agreement, Grant Award No. 5H64EH000150-04 from the Centers for Disease Control and Prevention (CDC) to provide funds in support of the DPH Childhood Lead Poisoning Prevention Program (CLPPP).

This grant award provides funding for Fiscal Year 2009-10. New federal funding totals \$622,380 and will fund the fourth year of a five-year grant award. However, unobligated funds in the amount of \$42,897 are being requested as an offset for a total award of \$665,277. These funds will enable CLPPP to continue the operation of existing programs and improve the program's ability to partner with community and faith-based organizations to serve high-risk communities.

County Counsel has reviewed and approved the initial award for this grant cycle during FY 06-07.

If you have any questions or require additional information, please let me know.
